BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

The Dy. Commr reports that one Tirumaimuli Tirumaniengar was claiming certain Hetchukatte honors under the authority of a Sanad said to have been granted by a previous Maharaja, that Tirumaniengar

having died in 1904, his son Ramanuja Iyengar began to petition the Local authorities on the subject, and that the Sub Divl. Officer recommended that the Mariyada of "Kutumba-Thirtha"—Thirtha Vinyoga to such of the members of the Tirunaimuli family present in the Temple on the occasion as were competent to receive it. The Dy. Commr. may be entrusted to the peter

solicited orders of Govt. in the matter.

A Rubkari sanctioning the above recommendation having been submitted for approval to the then II Councillor (the present I Cr.), it was received back with the following order:—

"When and why was this Mariyada stopped? This seems a Confidential matter. The revival of such a privilege seems also to require the sanction of the Dewan and possibly also of H. H. the Maharaja. Thereupon further information was called for.

of H.H. the Maharaja.

On receipt of the Dy Com's second report I called upon the petr to produce a detailed list of the honors he was entitled to. He has produced a rough list. ~~and~~ ~~stated~~ I record his statement also before me.

We need not now concern ourselves with the honors that are being thrown by the petty.

The honors which the petty claims but which are not being thrown are to the detailed. These are ~~doubted~~ and mentioned in the statement made before me. They are: —

(1). Three Kaddi avalis of lotus to be given every day.

The petty admits he has no document about this in his favour; and also admits other Acharyas from Sri Vaishnava Kooshmanda. If Parthasarathi Swami & Swamik Krishnama Iyengar get this Kooshmanda it is because his learning extorts respect from everybody I do not think that puts the matter on a case.

(2). Four yards of Pavada to be given every day

The arrival of the train and the motor can be mentioned, and there is no reference to this in the Sthalapurana. The honor was started 30 years ago. There does not appear to be any reason for removing it

(3). One Dósey ~~Dosey~~ every night from the Nanasiva-
swami Temple, one Pavithra during the Pavithrotsa
and one Coconut during Dasara from this Temple
These have stopped now 15 years ago. There is no docu-
mentary evidence to regard this item to them.
I do not think that it has been made out this case regards
these others either.

(4). A Moiety of ¾ths over price out of every 100 ₹
sum of Rasoda. There is no documentary
evidence. I do not see any reason for removal

(5). Half the fruits & flowers offered by the Poojary
should be returned. This right is claimed
by Pujaris. ~~Hereon~~ We can not lay down any
hard & fast rule. It seems true that the Poojary
may complain when there is an actual grievance

(6). ~~This is an important question~~ The Stone steps for
Mungadu should be taken to Jodu Pitha, Bodi
Pitha and to Rayabagodu die. Pattamadan Bagodu
when the Petis or any number of the Pujaris return

This is a very important matter. The Agraharik
Petis refused to have it entered ~~E~~ in Mr Cook's
Kaifiat in my file. The Panchalas Mantri pro-
this how even in the case of other Kaifiat like the
Yedriapa Mantri. This has long been in dispute &
I cannot recommend the removal of it.

Item 6 is a troublesome Mara Yada apparently. Is the party here prepared to pay 3 to 6 Pagodas whenever he goes to Cuddapah?

Item 7 — ~~What entails are reported to~~. I — Per — says, that he would be succeeded in getting on the last occasion. If necessary, he may be examined again in the Taluk.

We must, I suppose, hold some sort of enquiry on these three points and come to a regular decision. We cannot summarily reject the claims.
